Desiging and producing websites for clients.

Graphic Design Intern · Raring Design

Apr 2019 - May 2019

Internship at an editorial advertising agency practicing digital design, marketing, motion design and video editing.

Other Experiences

Outside of design I have worked in a variety of environments and roles, including as a lifeguard, caregiver, IT technician, substitute teacher, sawmill operator and more. All of which have been valuable experiences and given me the chance to work with a wide range of individuals.
